Sir:

The following amendments and remarks are respectfully submitted in response to the Office Action dated December 18, 2002.

IN THE SPECIFICATION:

Please amend the third paragraph bridging pages 10 and 11 as follows:

(A copy of the marked-up version of the specification as amended is attached to this Reply).

B¹
Likewise, it is possible to start the drive unit in this case. For this purpose, the unit consisting of parts 9 and 10 is fitted into the device 1. Like a conventional ignition key, the key 10 is then used for permitting the starting of
